

# CITY OF TRENTON ROTARY PARK MASTER PLAN COMMUNITY INPUT SESSION

The City of Trenton Parks and Recreation is in the process of developing a master site plan for Rotary Park. The purpose of the plan is to guide the future development of the park in a cohesive manner. As a part of the planning process, the City is seeking input from the community members, stakeholders and user groups, and community leaders. Your opinion matters as you are an important part of the planning process. We would appreciate your candid feedback about Rotary Park. Please complete this short survey by July 1, 2022.
